

Q3 Cultural Review — People, Places, and Traditions

Base Sheet

Activity Sheet

The child reviews the cultural topics explored in Q3: world soups and food traditions, inventions and inventors, navigation methods, historical maps, and the interconnection of cultures across the globe.

What You Need:

- Globe
- Notes and artifacts from cultural lessons
- Drawing paper
- Colored pencils
- Photos from Q3 cultural activities

Steps:

1. 'We have learned so much about people and cultures around the world! Let us remember the highlights.'
2. Food traditions: 'Name soups from 3 different countries. What ingredients did each use?'
3. Inventions: 'What inventions did we learn about? Who invented Velcro? What did Edison say about failure?'
4. Navigation: 'How did ancient people find their way? What does a compass do?'
5. Maps: 'How have maps changed over time? What was on ancient maps that we do not see on modern maps?'
6. Big Ideas: 'What do ALL these topics have in common? People everywhere solve problems and share their culture.'
7. 'What was the most interesting cultural topic for you this quarter?'
8. Child creates a one-page 'Q3 Cultural Highlights' page with drawings and captions.
9. Look ahead: 'What cultures or topics would you like to explore in Q4?'
