

Puzzle Map — Europe Review and Country Facts

Base Sheet

Activity Sheet

Reviewing the European puzzle map with added challenge of matching country facts, flags, and landmarks to each piece.

What You Need:

- Montessori puzzle map of Europe
- Control map of Europe
- Globe
- Work mat

Steps:

1. Show Europe on the globe. 'Europe is a smaller continent, but it has MANY countries packed together!'
2. Open the Europe puzzle map. 'See how many pieces there are? Europe has over 40 countries!'
3. Start with familiar/large countries: France, Spain, Italy (shaped like a boot!), United Kingdom, Germany.
4. Child places pieces, matching shapes to their spots.
5. 'Europe is where many fairy tales come from! The Brothers Grimm were from Germany. Hans Christian Andersen was from Denmark.'
6. Find interesting shapes: Italy's boot, Scandinavia's arm.
7. 'People in Europe speak many different languages: English, French, Spanish, German, Italian, and many more!'
