

# My Book — Illustrations and Details

Base Sheet

Activity Sheet

The child illustrates each page of their personal book and adds any finishing details to the text. The illustrations bring the story to life and demonstrate the connection between visual art and storytelling.

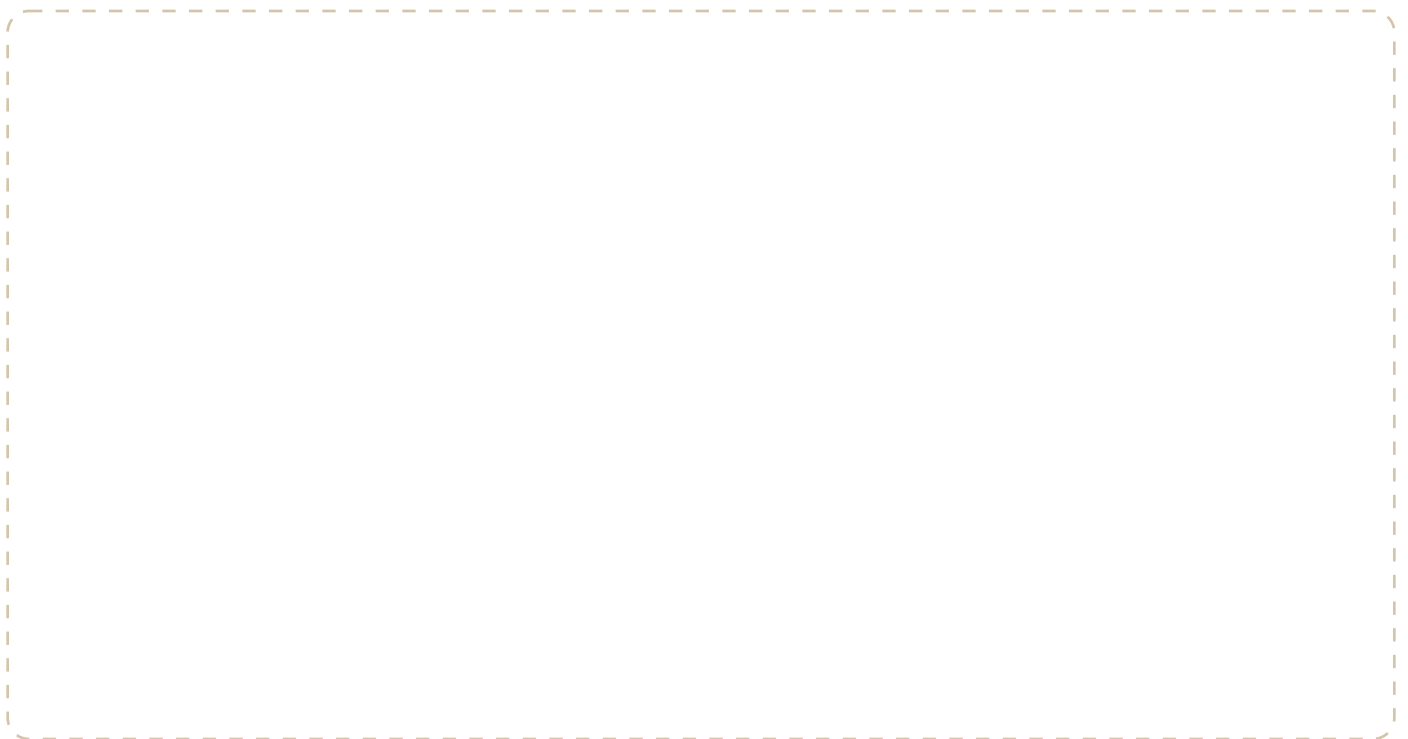

## What You Need:

- Booklet with written text
- Crayons, colored pencils, or markers
- Fine-tip pen for details (optional)

## Steps:

1. 'Your words are written! Now let's add illustrations to bring your book to life.'
2. Start with the cover: 'The cover illustration should show what the whole book is about.'
3. Work through each page, drawing pictures that match the text.
4. Encourage details: background, color, expression on faces.
5. Re-read each page after illustrating: 'Does the picture match the words?'
6. Add any final text details: page numbers, 'The End' on the last page.
7. 'Tomorrow we will practice reading it out loud!'

## Work Space:

A large dashed rectangular box, intended for the child to draw their illustrations. The box is empty and occupies the lower half of the page.
