

Community Helpers — Firefighters

Base Sheet

Activity Sheet

In-depth exploration of firefighters: what they do, their equipment, fire safety rules, and how they help our community.

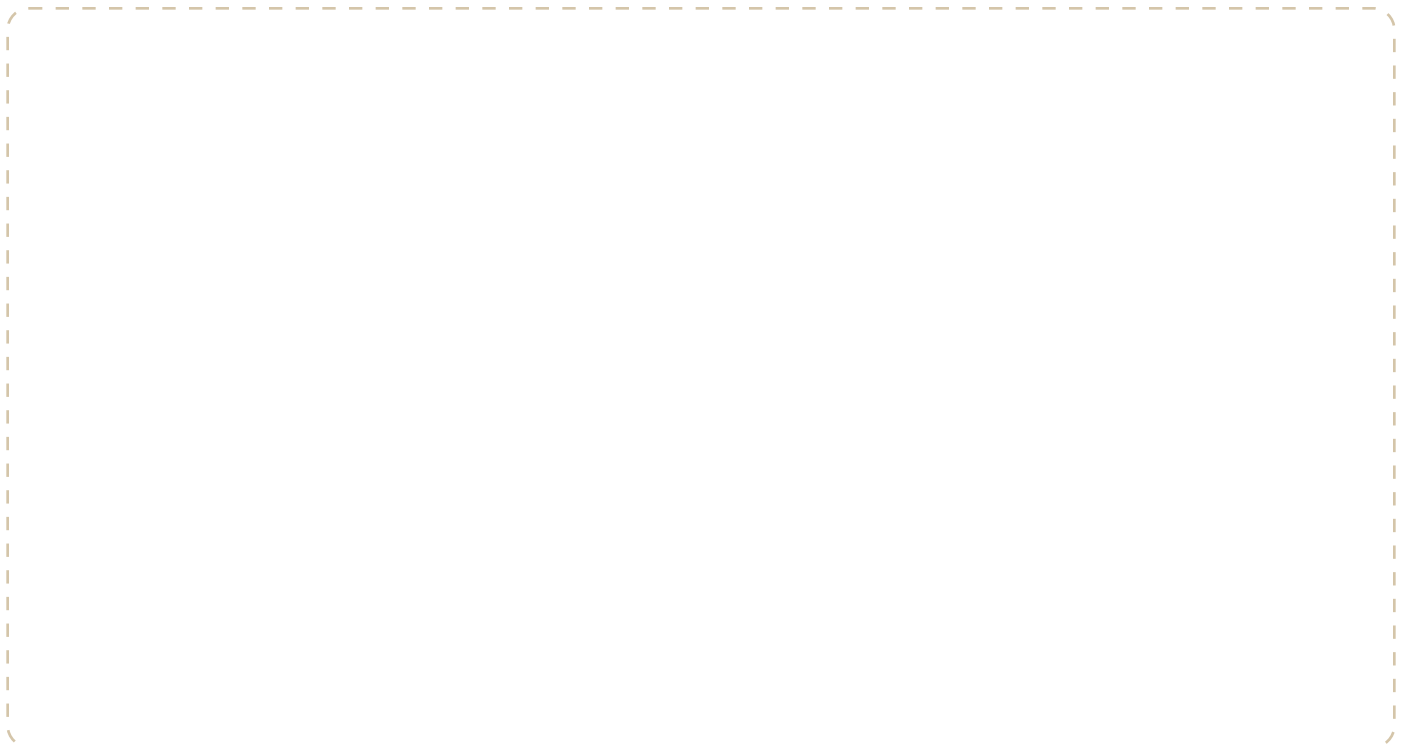

What You Need:

- Firefighter pictures or cards
- Equipment picture cards
- Paper and crayons for drawing
- Optional: toy fire truck

Steps:

1. Show pictures of firefighters, fire trucks, and fire stations.
2. Discuss their job: putting out fires, rescuing people, teaching fire safety.
3. Talk about their equipment: helmet, turnout gear, hose, axe, oxygen tank.
4. Fire safety rules: 'Stop, drop, and roll. Know your escape plan. Test smoke detectors.'
5. Role-play: pretend to be firefighters responding to a call.
6. Draw a fire truck or firefighter.

Work Space:

A large dashed rectangular box, intended for a drawing activity. It is empty and occupies the bottom half of the page.
