Base Sheet

Activity Sheet

The child reads CVC action words and performs the action. This multi-sensory approach connects reading to physical movement and comprehension.

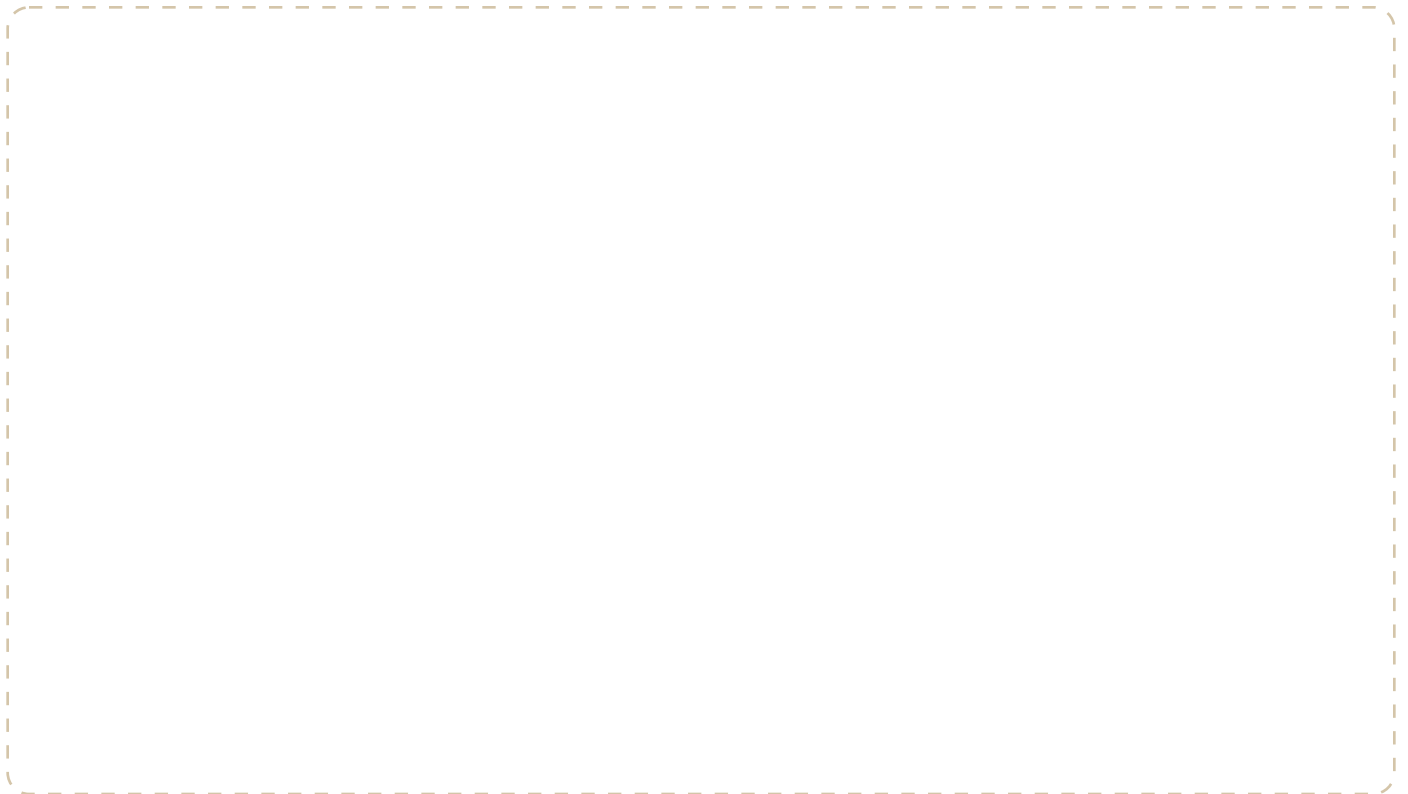

What You Need:

- Action word cards (10 CVC verbs)
- Open space for movement
- Blank cards and marker for child to make their own

Steps:

1. Write action words on cards: sit, hop, run, dig, hug, nod, tap, rub, pat, jog.
2. 'These words tell you to DO something. Read the word and then DO it!'
3. Child picks a card, reads it, and performs the action.
4. Continue through all cards.
5. Child makes their own action cards for family members.
6. Play 'Simon Says' using the cards.

Work Space:

A large dashed rectangular box, intended for a student to write or draw within. The box is empty and occupies the lower half of the page.
