

Land Forms — Cape and Bay

Base Sheet

Activity Sheet

Fourth pair of opposite land and water forms: cape and bay. Continuing the systematic exploration of geographic forms.

What You Need:

- Land/water form trays (cape and bay)
- Water
- Paper and pencils
- Globe

Steps:

1. Review previous pairs: island/lake, peninsula/gulf, isthmus/strait.
2. Introduce cape: 'A cape is a point of land extending into water.'
3. Introduce bay: 'A bay is a body of water partially enclosed by land.'
4. Pour water to demonstrate both.
5. Draw and label each.
6. Real example: Cape Cod, the Bay of Bengal.

Work Space:

Montessori Homeschool • Print on US Letter (8.5 x 11") • Activity sheet — print on standard paper
