

# Flags — Drawing and Coloring

Base Sheet

Activity Sheet

The child selects flags to study, draws them carefully, and colors them with the correct colors. Building cultural awareness and fine motor skills.

## What You Need:

- Flag cards or pictures (6-8 countries)
- Drawing paper
- Colored pencils or crayons
- World puzzle map
- Ruler (optional)

## Steps:

1. Review flags from last week.
2. Present 3-4 new flags: France, India, South Africa, Australia.
3. Show each flag and name the country. Find it on the map.
4. Discuss colors and symbols: 'India has a wheel in the center. Australia has stars.'
5. Child selects 2 flags to draw and color carefully.
6. Label each flag with the country name.
