

Math Facts Review — Addition and Subtraction Fluency Check

Activity Sheet

Base Sheet

The child reviews addition and subtraction facts using strip boards, flash cards, and oral quizzing. The focus is on identifying which facts are automatic and which need more practice, setting goals for Q4.

What You Need:

- Addition and subtraction flash cards
- Strip boards for checking
- Two baskets: 'I know it!' and 'Need practice'
- Recording sheet
- Pencil
- Timer (optional)

Steps:

1. 'Let us see how many math facts you know by heart!'
2. Friends of Ten review: flash $1+9$, $2+8$, $3+7$, $4+6$, $5+5$. How many are instant?
3. Doubles: $1+1$, $2+2$, $3+3$, $4+4$, $5+5$, $6+6$, $7+7$, $8+8$, $9+9$. How many are instant?
4. Subtraction from 10: $10-1$ through $10-9$. How many are instant?
5. Mixed facts: present 15 random facts. Child answers as quickly as possible.
6. Sort facts into two piles: 'I know this!' and 'I need more practice.'
7. 'You know ___ facts instantly! That is wonderful!'
8. Make a plan for the facts that need practice: write them on cards for daily review.
9. 'Knowing facts by heart makes ALL your math work faster and easier.'

Work Space:

A large, dashed rectangular box with a thin brown border, designed to look like a piece of lined paper. It occupies most of the bottom half of the page, intended for the child to use as a workspace for writing or drawing.
