

Grammar — The Noun (Montessori Grammar Symbols Review)

Base Sheet

Formal introduction of the noun and its Montessori grammar symbol: a large black triangle. The child reviews articles and adjectives, then learns to identify nouns and mark all three parts of speech in sentences.

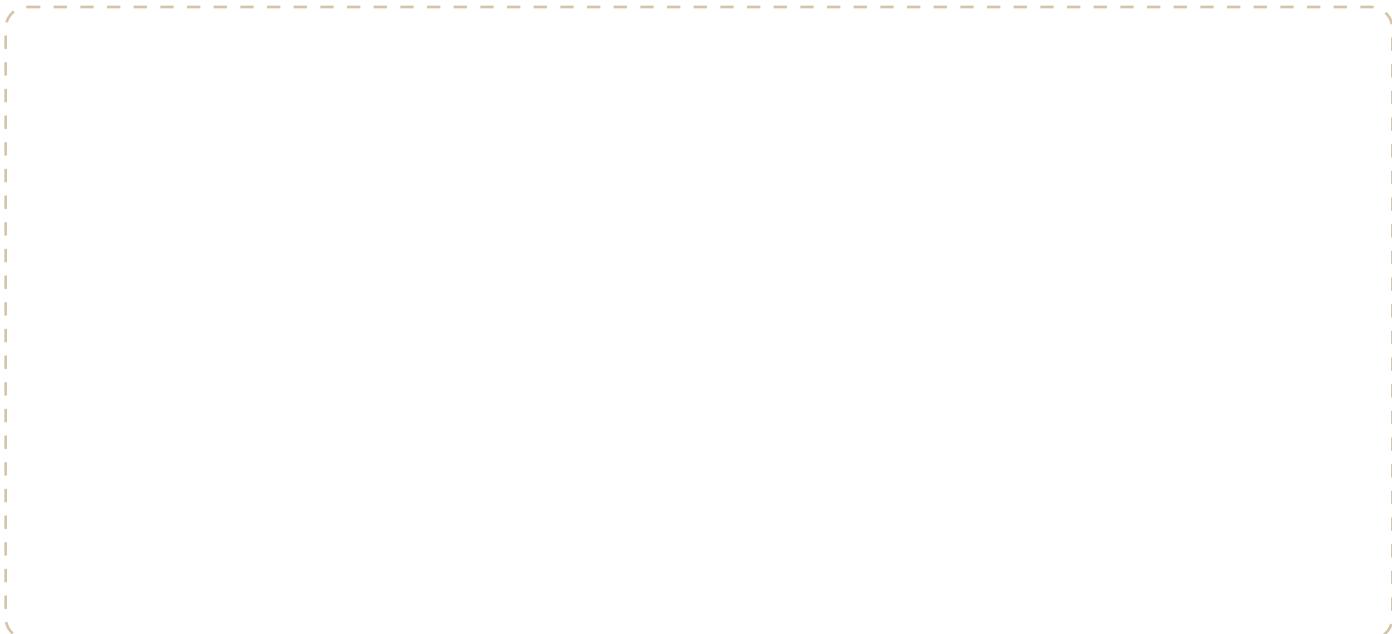

What You Need:

- Montessori grammar symbols (black triangle for noun, dark blue for adjective, light blue for article)
- Objects in the room for naming
- Work mat
- Pencil and paper

Steps:

1. 'We have learned articles (small light blue triangle) and adjectives (medium dark blue triangle). Today — the NOUN!'
2. 'A noun is a NAMING word. It names a person, place, or thing.'
3. Present the large black triangle. 'The noun's symbol is the BIGGEST triangle because nouns are the most important words. Everything has a name!'
4. Play the noun game. Look around the room and name everything you see. Each is a noun.
5. Sentence strips: child identifies and marks articles, adjectives, AND nouns.
6. 'The big dog ran.' Place symbols: light blue (the), dark blue (big), black (dog).
7. Child marks 5-6 sentences independently.
