

The Globe — Europe, Asia, and Australia

Base Sheet

Activity Sheet

Continuing continent exploration with Europe, Asia, and Australia/Oceania on the Montessori globe.

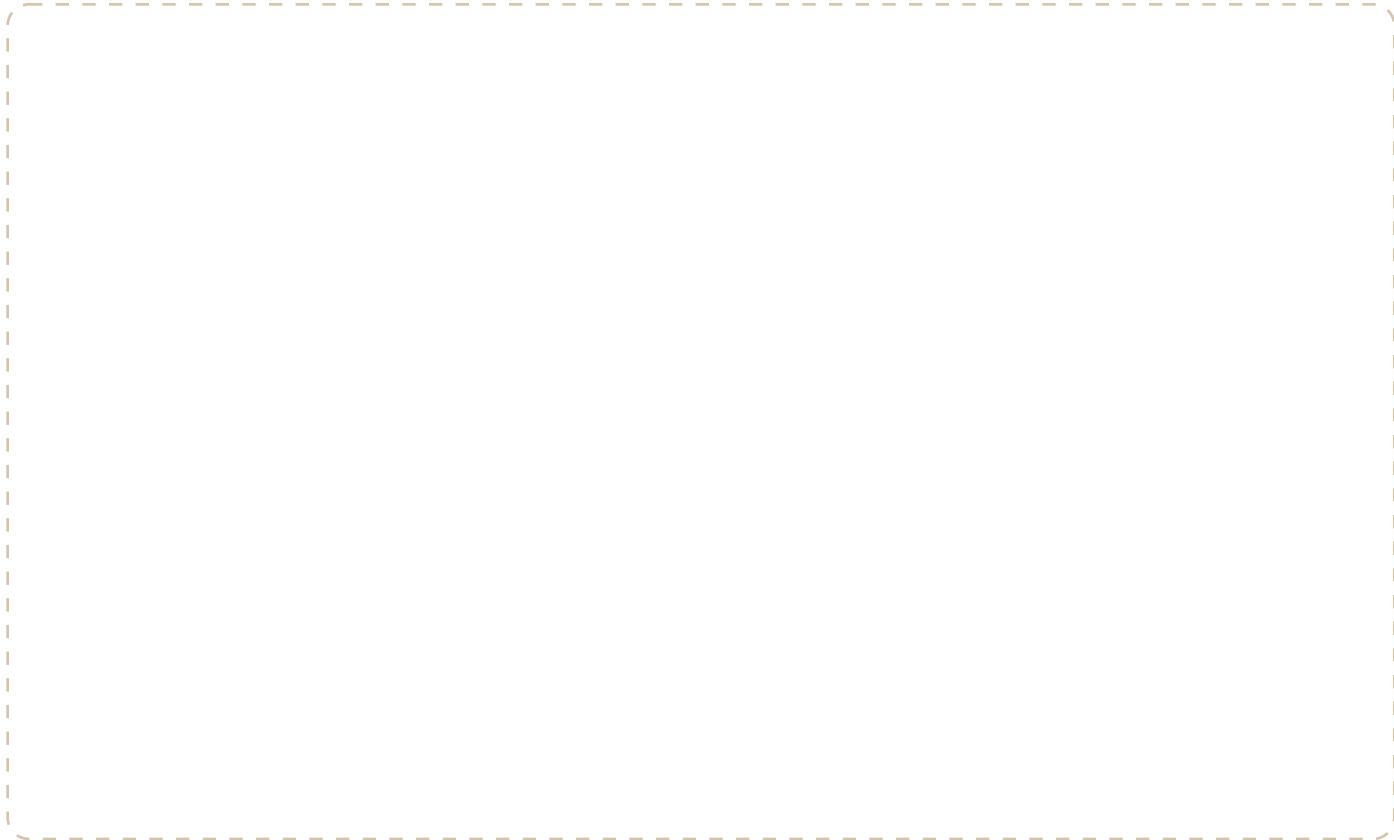

What You Need:

- Montessori colored globe
- Continent name cards (optional)

Steps:

1. Review North America, South America, and Africa on the globe.
2. Introduce Europe (red): 'Europe is here — many countries close together.'
3. Introduce Asia (yellow): 'Asia is the biggest continent!'
4. Introduce Australia (brown): 'Australia is the smallest continent — and it's an island!'
5. Play 'Find the continent': name one, child points to it.
6. Count: 'We've learned 6 continents! There's one more — Antarctica!'

Work Space:

Montessori Homeschool • Print on US Letter (8.5 x 11") • Activity sheet — print on standard paper
