

Spindle Box — Full Set 0-9

Activity Sheet

Base Sheet

Completing the spindle box with compartments 0-9. The child counts and places spindles in all compartments.

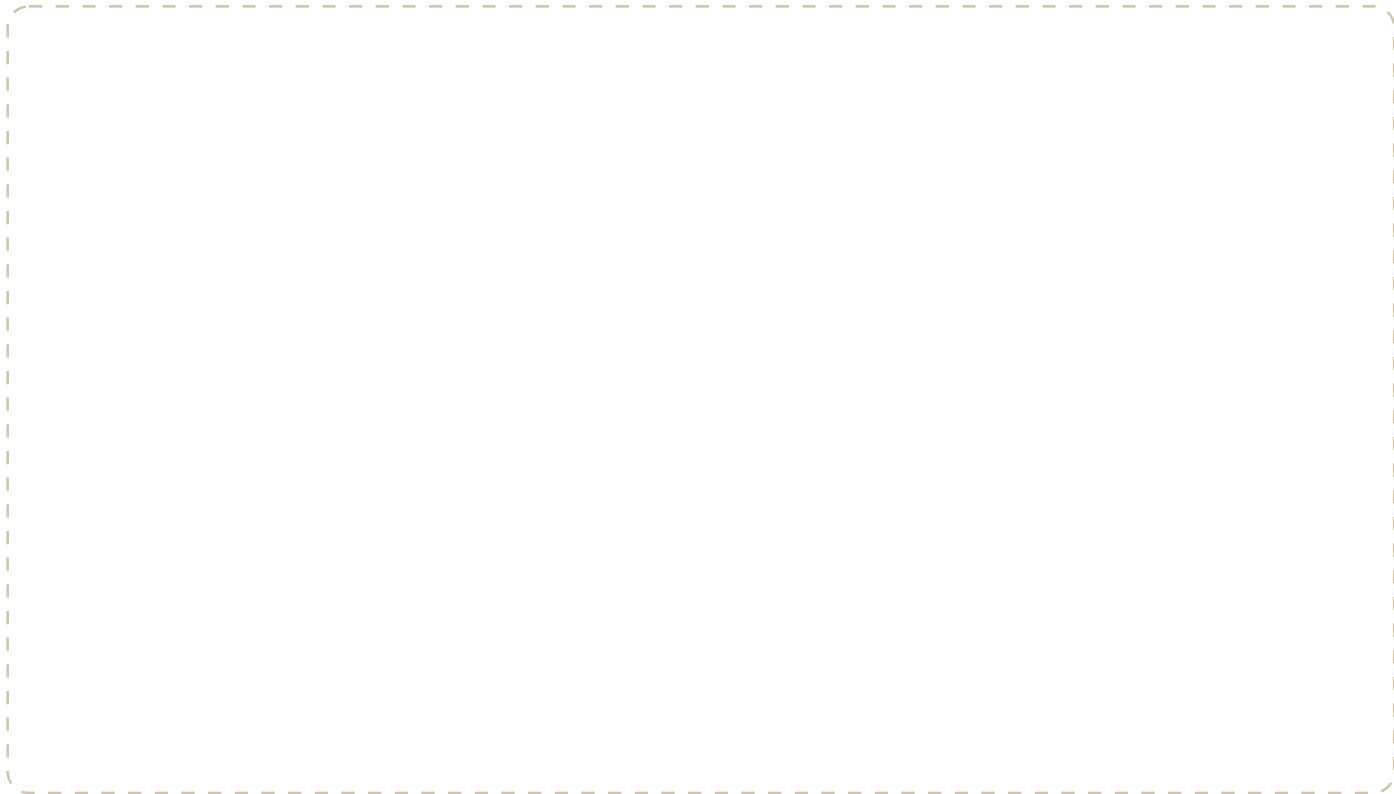

What You Need:

- Spindle box (0-9)
- 45 spindles
- Rubber bands

Steps:

1. Review 0-4 from previous lesson.
2. Extend to 5: count out 5 spindles, place in compartment. Rubber band.
3. Continue through 9.
4. Verify: count total spindles used ($0+1+2+3+4+5+6+7+8+9 = 45$).
5. Emphasize zero again: 'Zero is still empty.'
6. Child does the full exercise independently.
