

Numeral Writing on Paper — 6 through 10

Base Sheet

Activity Sheet

Continuing numeral writing on paper with numerals 6-10. The child completes the full set of single-digit numeral formation.

What You Need:

- Sandpaper numerals 6-10
- Sand tray
- Lined paper
- Pencil

Steps:

1. Review sandpaper numerals 6-10: trace each one.
2. Write each in the sand tray.
3. Transition to paper: demonstrate 6, 7, 8, 9, 10.
4. Special attention: 10 is TWO digits! '1 and 0 together make ten.'
5. Child writes a row of each: 6, 7, 8, 9, 10.
6. Review: write all numerals 0-10 in order.
