

# The Globe — Continents Introduction

Base Sheet

Activity Sheet

Introduction to the continents using the Montessori colored globe. The child learns the names of the seven continents through a multi-sensory presentation.

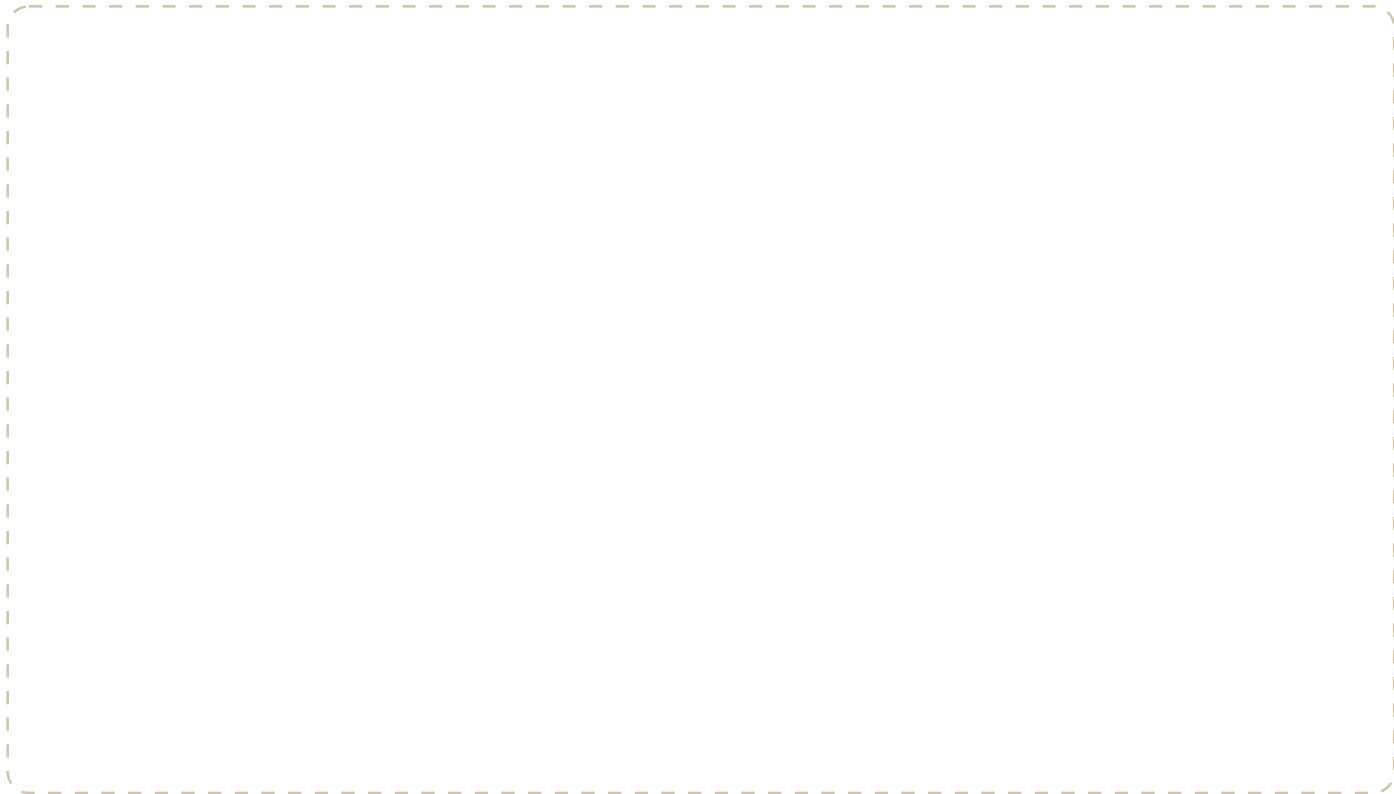

## What You Need:

- Montessori colored globe
- Continent labels (optional)
- World puzzle map (optional)

## Steps:

1. Present the colored globe.
2. Point to each continent and say its name slowly.
3. Focus on 2-3 continents today: North America, South America, Africa.
4. Sing a continent song if desired.
5. Ask: 'We live on this continent — North America!'
6. Let the child spin the globe and point to continents they remember.
