

# Puzzle Map — World Continents

Base Sheet

Activity Sheet

Introduction to the Montessori world puzzle map. The child removes and replaces continent pieces, reinforcing continent names, shapes, and locations.

## What You Need:

- Montessori world puzzle map
- Work mat or table
- Control map (picture of completed map)

## Steps:

1. Present the world puzzle map.
2. 'This is a map of our whole world! Let's find each continent.'
3. Remove North America first. Name it and describe its shape.
4. Replace it. Remove South America. Continue with each continent.
5. Remove all continents. Can the child replace them all?
6. Name the oceans between the continents.

## Work Space:

Montessori Homeschool • Print on US Letter (8.5 x 11") • Activity sheet — print on standard paper
