

World Map Review — Naming All Seven Continents and Oceans

Activity Sheet

Base Sheet

The child reviews the complete world map, naming all seven continents and five oceans. They create a labeled mini-map from memory as a self-assessment of geographic knowledge gained throughout the year.

What You Need:

- World puzzle map
- Blank world outline map (printed)
- Pencil
- Colored pencils matching Montessori continent colors
- Globe for reference

Steps:

1. Display the world puzzle map.
2. 'You have learned about every continent this year! Can you name them all?'
3. Point to each continent — child names it. Discuss one fact about each.
4. Name the five oceans together.
5. Remove the puzzle pieces. Give the child a blank world outline map.
6. The child labels each continent and ocean from memory.
7. Check against the puzzle map. Celebrate what they remembered!

Work Space:

A large, dashed rectangular border occupies the bottom half of the page, intended for the child to draw and label a world map.

Montessori Homeschool • Print on US Letter (8.5 x 11") • Activity sheet — print on standard paper
