

# Phonetic Booklets — Reading and Illustrating

Base Sheet

Activity Sheet

The child reads a phonetic booklet and creates their own illustrations to accompany the text, deepening comprehension.

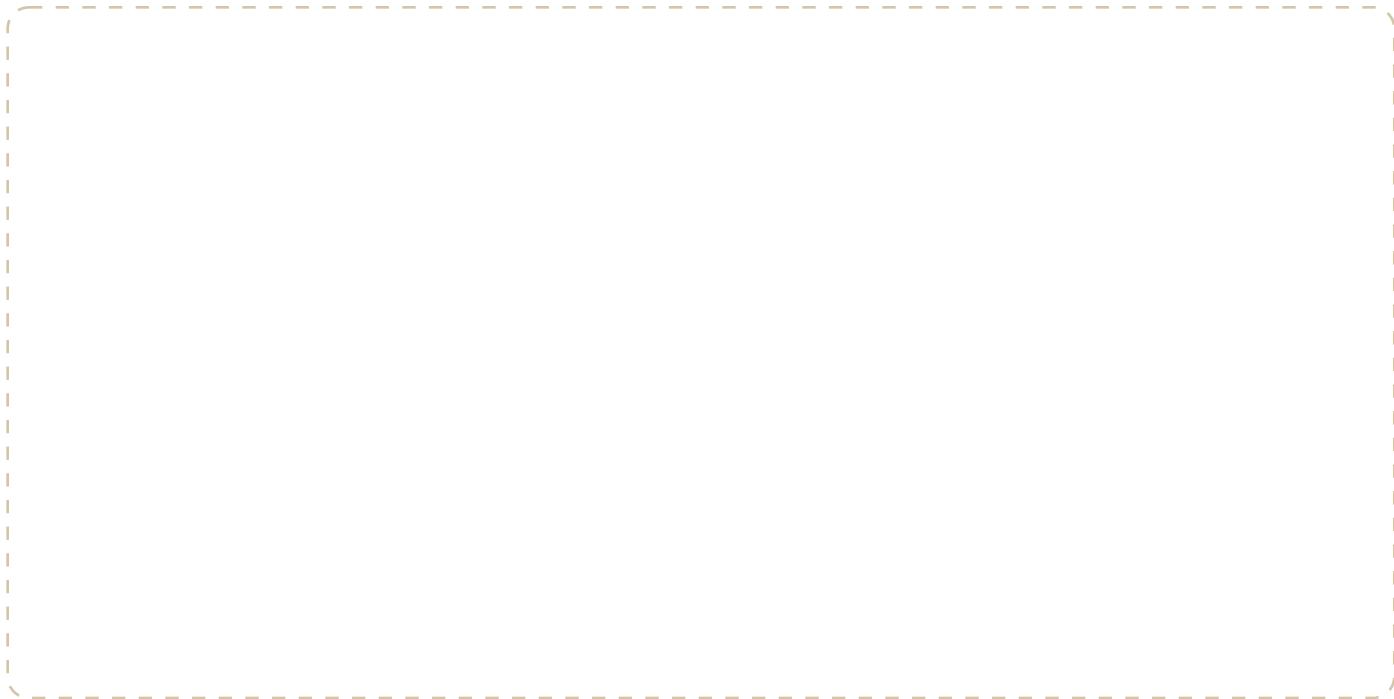

## What You Need:

- Phonetic booklet
- Blank paper for new book
- Stapler
- Crayons or colored pencils
- Pencil

## Steps:

1. Choose a new phonetic booklet.
2. Child reads the booklet independently (with support as needed).
3. 'Now let's make YOUR version! I'll write the words and you draw the pictures.'
4. Fold paper to make a small book.
5. Write (or child writes) each sentence on a page.
6. Child illustrates each page. They have created their own book!

## Work Space:

Montessori Homeschool • Print on US Letter (8.5 x 11") • Activity sheet — print on standard paper
