

Memory Game — Quantities with Challenge Numbers

Base Sheet

Activity Sheet

The Memory Game with higher numbers and multiple rounds. Building mental number sense and working memory for larger quantities.

What You Need:

- Numeral cards 1-10 (with extras of high numbers)
- 60+ small objects in two colors
- Baskets for carrying
- Two mats

Steps:

1. Set up the Memory Game as in week 5.
2. This time, include numeral cards for 7, 8, 9, and 10 more frequently.
3. Play 5 rounds with challenging numbers.
4. Extension: draw TWO cards and add them. 'You drew 3 and 4. How many total? Bring back 7!'
5. Another extension: 'Bring me 6 red beads and 4 blue beads.'
6. Verify each time by counting together.

Work Space:

A large, dashed rectangular border occupies the bottom half of the page, intended for children to draw or write their answers.
