

Geography Review — Continents, Landforms, and Map Skills

Base Sheet

Activity Sheet

The child reviews Q3 geography learning: continents on the puzzle map, land and water forms, map reading skills (compass rose, legend, scale), and cultural connections to places studied.

What You Need:

- World puzzle map
- Globe
- Land and water form cards
- The child's maps from week 26
- Drawing paper
- Colored pencils

Steps:

1. 'Let us take a trip around the world and review everything we have learned!'
2. Puzzle map: child assembles the world map, naming each continent and ocean.
3. 'Tell me one thing you remember about each continent.'
4. Review land and water forms: 'What is an island? A peninsula? A strait?'
5. Map skills review: 'Show me a compass rose. What does each direction mean?'
6. 'What is a legend on a map? What is it for?'
7. Geography trivia game: ask questions from the quarter's lessons.
8. Cultural connections: 'What soups did we learn about? What navigation methods?'
9. 'If you could travel anywhere in the world, where would you go? Find it on the globe!'
10. Child writes or draws about their dream destination.

Work Space:

A large, dashed rectangular border occupies the bottom half of the page, intended for the child to draw or write in.
