

Q1 Reflection — Our Learning Journey

Base Sheet

Activity Sheet

A reflective session where the child and parent look back on everything learned in Quarter 1. Creating a Q1 portfolio page and setting intentions for Quarter 2.

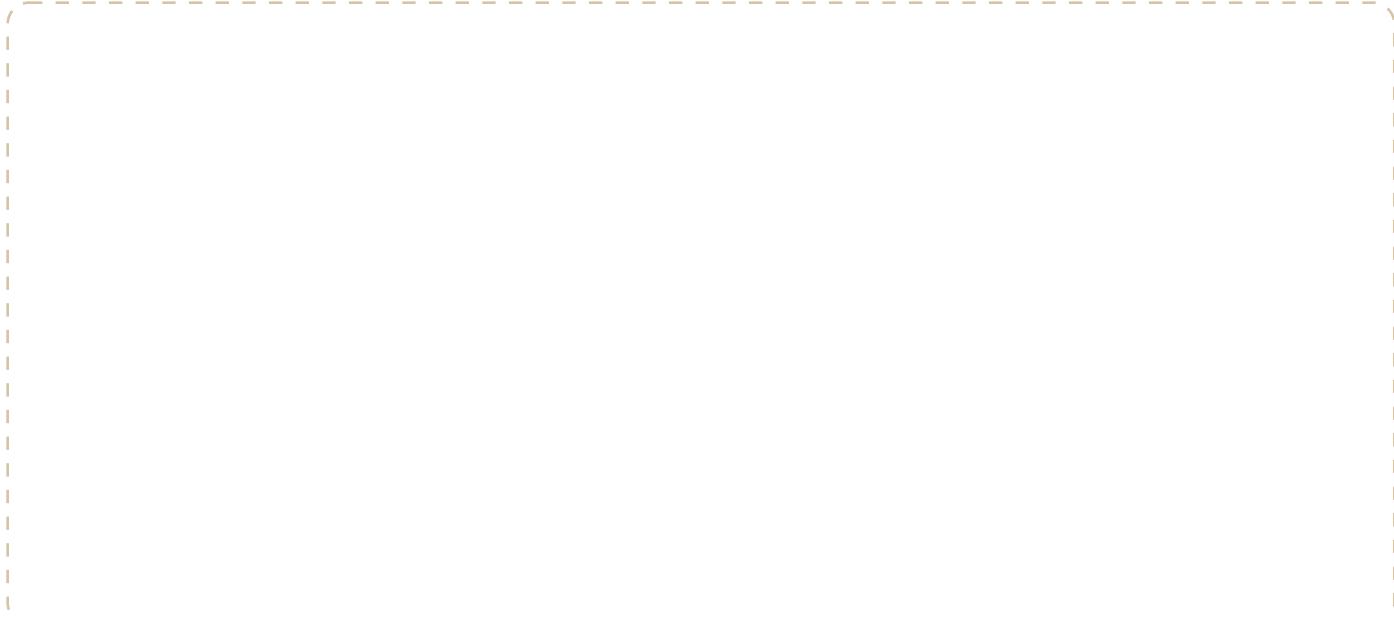

What You Need:

- All Q1 work (journals, books, art)
- Paper for accomplishments page
- Colored pencils
- Camera for photo

Steps:

1. 'Let's look at everything we did this quarter! I'm so proud of you.'
2. Flip through the child's work: Continent Book, science journal, metal inset designs, reading log, math work
3. 'What did you learn that surprised you? What was your favorite lesson?'
4. 'What was the hardest thing you did? How did you get through it?'
5. Create a 'Q1 Accomplishments' page: child draws or writes their proudest achievements
6. 'What would you like to learn about next quarter?'
7. Take a photo of the child with their Q1 work spread out. Frame or save it.
8. 'Quarter 2 starts next week! You're ready!'

Work Space:

A large, dashed rectangular border occupies the bottom half of the page, designed to provide a workspace for children to draw or write their reflections.
