

# I Spy — Ending Sounds

Base Sheet

Activity Sheet

Advancing phonemic awareness by listening for ending sounds in words. The child identifies what sound they hear at the end of spoken words.

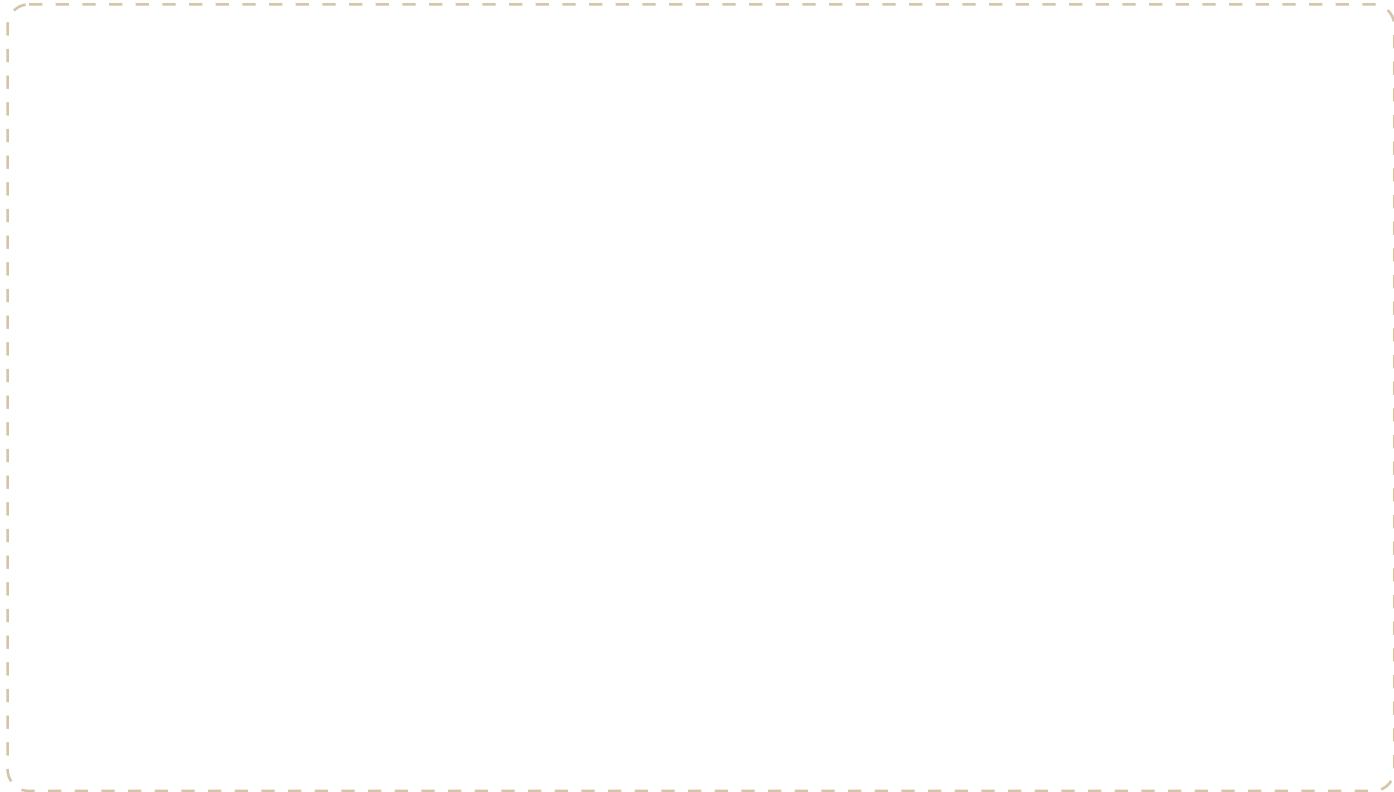

## What You Need:

- Small objects with clear ending sounds
- Sorting mats
- Tray

## Steps:

1. 'We've been listening for beginning sounds. Now let's listen to the ENDS of words!' Say 'cat.' 'What do you hear at the END? /t/!' Exaggerate the final sound.
2. Say 'bus.' 'What sound at the end? /s/!'
3. Practice with 8-10 words: map (/p/), drum (/m/), kiss (/s/), bed (/d/).
4. Play reverse I Spy: 'I spy something that ENDS with /t/.'
5. Sort objects by ending sounds.

## Work Space:

Montessori Homeschool • Print on US Letter (8.5 x 11") • Activity sheet — print on standard paper
