

Metal Insets — Pentagon

Activity Sheet

Base Sheet

Metal inset work with the pentagon shape. Continuing to build pencil control with a five-sided shape.

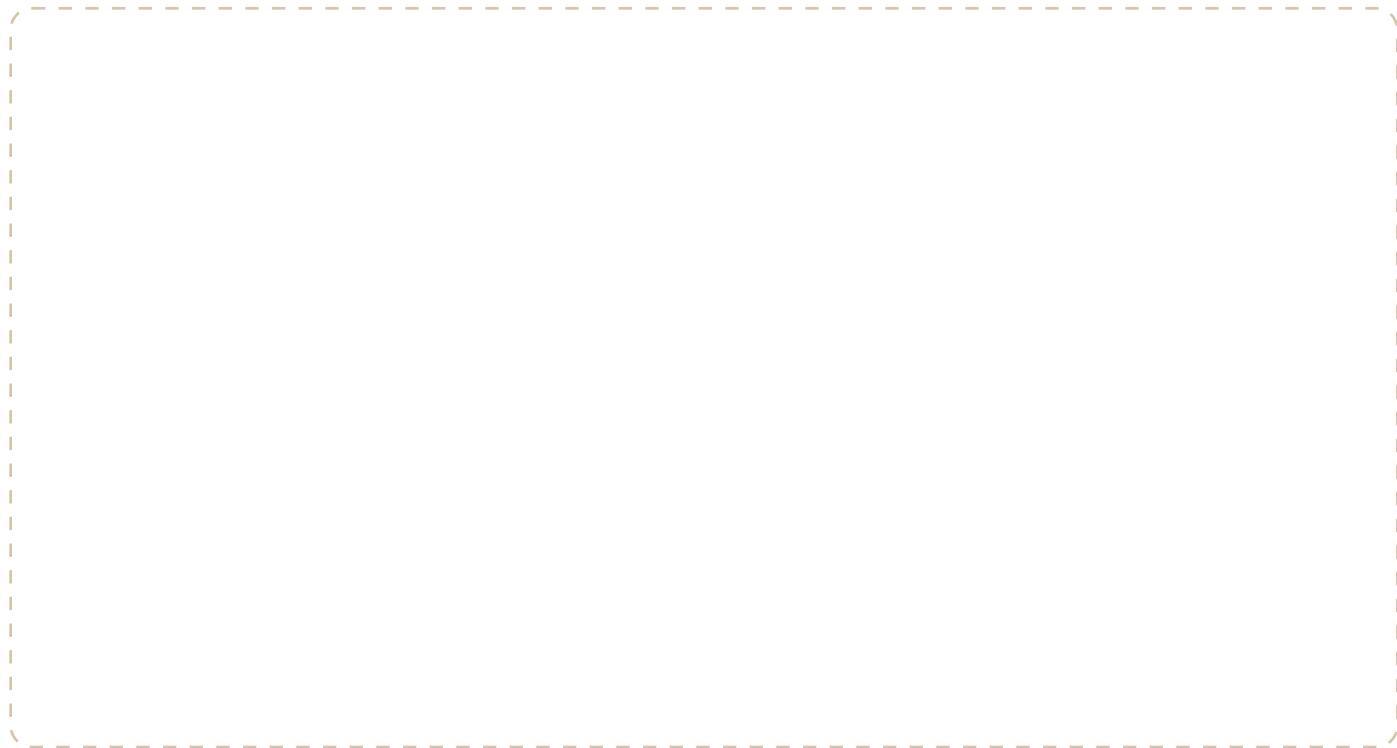

What You Need:

- Metal inset (pentagon)
- Paper
- Colored pencils (3 colors)
- Tray

Steps:

1. Choose the pentagon metal inset.
2. Trace the frame with one color.
3. Trace the inset with a second color.
4. Fill with parallel lines in a third color.
5. Notice: the pentagon has 5 sides and 5 corners.
6. Display the design.

Work Space:

Montessori Homeschool • Print on US Letter (8.5 x 11") • Activity sheet — print on standard paper
