Base Sheet

Activity Sheet

The final culture lesson is a family circle celebrating the entire year's journey together. Each person shares what they learned, how they grew, and what they are grateful for. The year closes with hope, love, and anticipation.

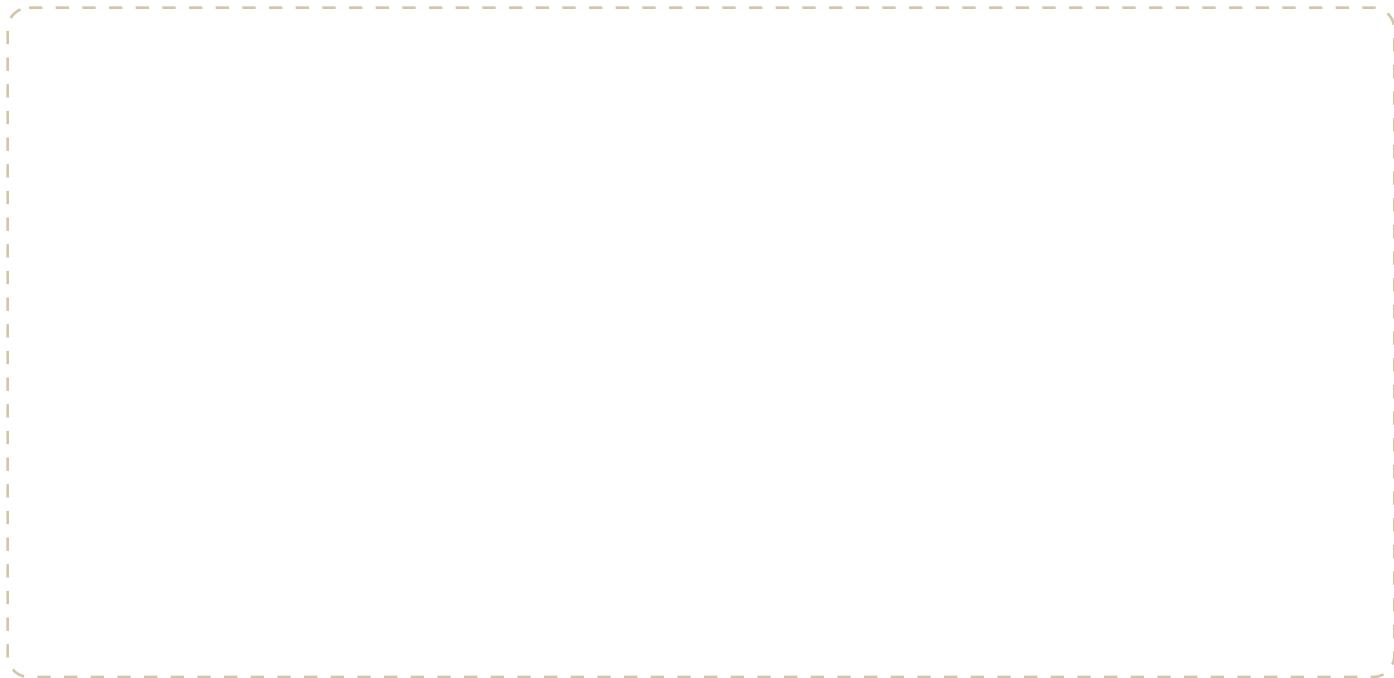

What You Need:

- Candle and matches (optional)
- A quiet space
- Open hearts

Steps:

1. Sit in a circle (even if it is just two people).
2. 'This is our closing circle. Our year is complete.'
3. Light a candle in the center (optional).
4. Each person answers: 'What did I learn this year? How did I grow? What am I grateful for?'
5. Share memories: the funny moments, the hard moments, the proud moments.
6. 'What are we most excited about for next year?'
7. Blow out the candle together (or another closing ritual).
8. 'Our year is closed. Our hearts are full. And the adventure continues.'
