

Grammar Review — Nouns, Verbs, and Adjectives in Sentences

Base Sheet

Activity Type:

The child reviews three key parts of speech using Montessori grammar symbols and identifies nouns, verbs, and adjectives in real sentences. This reinforces grammatical awareness in preparation for more complex sentence analysis.

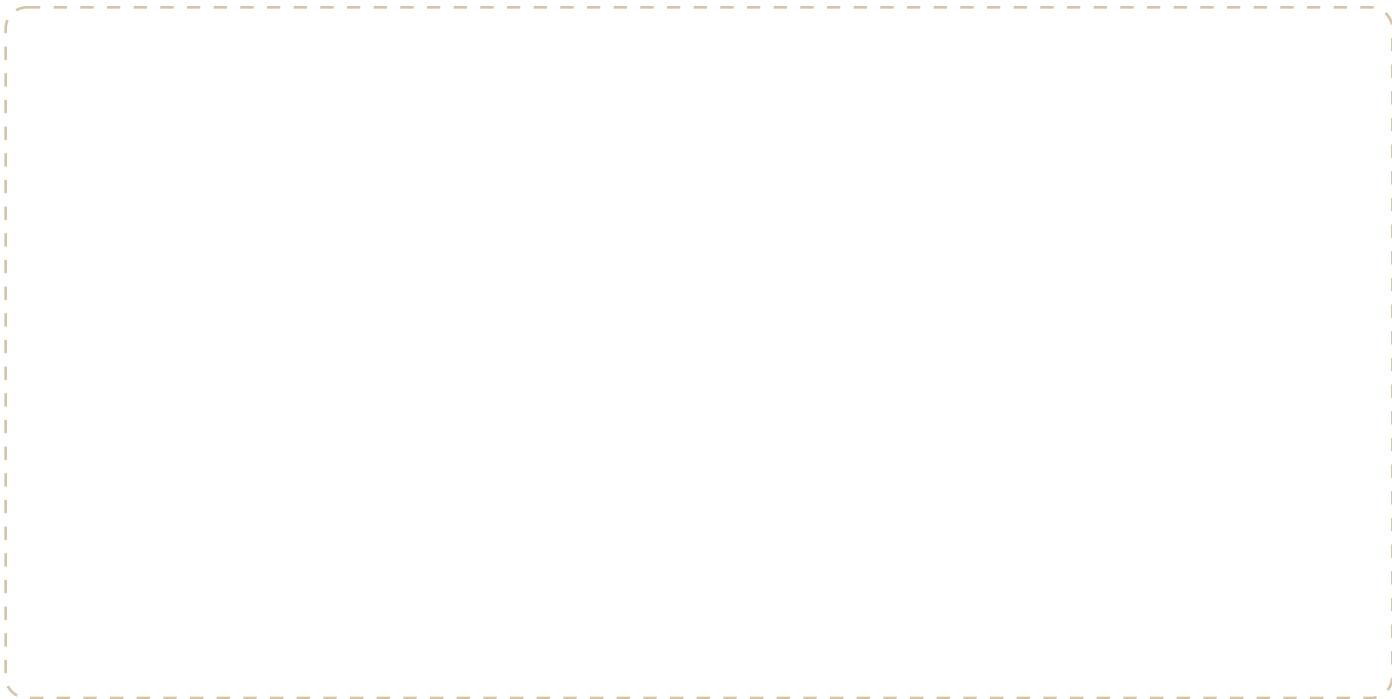

What You Need:

- Montessori grammar symbols (or colored shapes: black triangle, red circle, blue triangle) sentence strips or whiteboard
- Marker
- Paper for child's sentences
- Pencil

Steps:

1. Review the Montessori grammar symbols: black triangle (noun), red circle (verb), blue triangle (adjective).
2. Let's play the grammar detective game! I will write a sentence and you mark each word!
3. Write. 'The big dog ran fast.'
4. Child identifies: 'the' (article), 'big' (adjective-blue triangle), 'dog' (noun-black triangle), 'ran' (verb-red circle), 'fast' (adverb).
5. Practice with 4-5 more sentences of increasing complexity.
6. The child writes their own sentence and labels the parts of speech.

Work Space:

Montessori Homeschool • Print on US Letter (8.5 x 11") • Activity sheet — print on standard paper
