

Metal Insets — Oval and Rectangle

Base Sheet

Activity Sheet

Metal inset work with the oval and rectangle shapes, continuing to build pencil control.

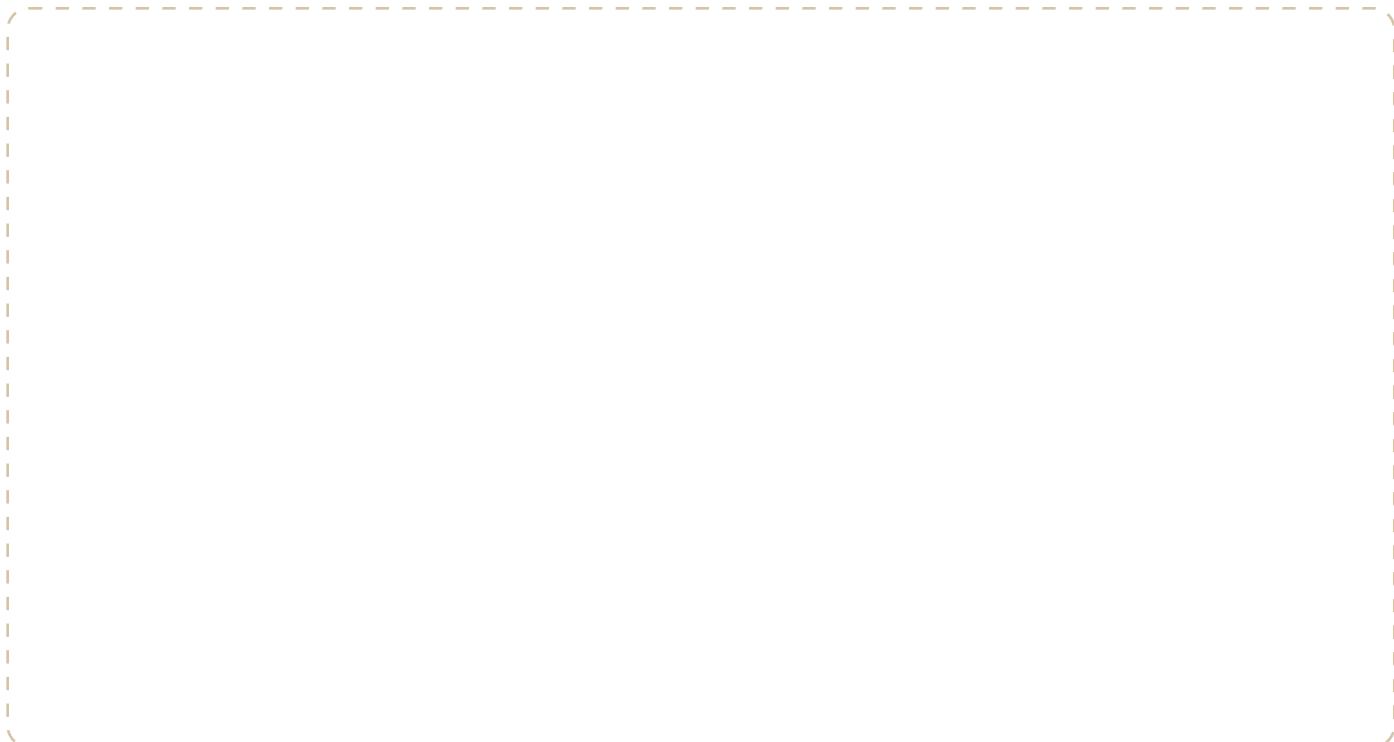

What You Need:

- Metal insets (oval and rectangle)
- Paper
- Colored pencils
- Tray

Steps:

1. Choose the oval metal inset.
2. Trace frame, trace inset, fill with parallel lines.
3. Repeat with the rectangle.
4. Focus on keeping lines close together and parallel.
5. Let the child choose their own colors.
6. Create an overlapping design: trace both shapes on the same paper.

Work Space:

Montessori Homeschool • Print on US Letter (8.5 x 11") • Activity sheet — print on standard paper
