

Grammar Practice — Noun and Verb in Sentences

Base Sheet

Activity Sheet

The child practices identifying nouns and verbs in sentences, using the black triangle and red circle symbols. Through reading, parsing, and acting out sentences, the child deepens understanding of sentence structure.

What You Need:

- Sentence strips (8-10 sentences)
- Black paper triangles (nouns)
- Red paper circles (verbs)
- Paper and pencil for writing
- Work mat

Steps:

1. Review: 'What is a noun? A naming word. What is a verb? An action word.'
2. Prepare sentence strips with simple sentences: 'The fish swims.' 'A bird flies.'
3. Child reads each sentence, places black triangle over the noun and red circle over the verb.
4. Now act it out! What does the fish do? It swims! Child pretends to swim.
5. Extension: child writes their own noun + verb sentences.
6. 'Every sentence needs at least one noun and one verb!'

Work Space:

A large, dashed rectangular border occupies the bottom half of the page, intended for children to write their own noun and verb sentences.
